Hi Freya – I'm working with Kirby to schedule a different time. I will copy everyone when I finish coordinating with Debbie and Ben in my office. It looks like 2:30 p.m. CST will not work for Kirby.

I can make the first half hour of the call and can catch up with Belinda or Tina on anything I miss.

Kirby, could you set up a conference line for this call?

Thanks, Freya

Hi Kirby – we can meet by conference call on this Thursday, November 7 at 2:30 p.m. CST (3:30 p.m. ET). Should we call you at that time?

Subject: Kick off call for West Lake Landfill TASC Project

Hi Belinda, Debbie and Ben,

As you know, we received the TD for West Lake Landfill on Friday. We would like to schedule a kick off call to discuss the details of the project. Terrie and I are available this week Monday through Thursday between 9:30 am and 2:30 pm CST. Please let us know your availability so we can schedule a time to have this conversation.

We look forward to talking with you all.

Best,

Kirby
